In circumstances where inappropriate or unreasonable dress is worn, appropriate actions will be taken. Student may be asked to remove items that are not part of the uniform. Repeated offences will mean the item (such as a piece of jewellery) may be held in safe keeping until 3pm in the school office. Students may be provided with a loan uniform item that must be returned to the office within the week, laundered appropriately. Parents will be notified with a Uniform Supply notice should this action occur. Repeated breaches will be noted as a Uniform Infringement and a record kept for Administration purposes. Parents will be notified if this action is taken.

Further sanctions imposed are reflective of the severity, recentness and continuation of non-compliance and may include one of the following:

- Preventing the student from attending or participating in any school activity that is not an essential school educational program;
- Preventing the student from attending or participating in activities for which the student is representing the school.

P&C ENDORSEMENT

The P&C of Bli Bli State School resolves that it supports a student dress code because it believes that a student dress code promotes the objectives of the Education (General Provisions) Bill 2006.

In particular, the P&C of Bli Bli State School supports the intention of this Student Dress Code in providing a safe and supportive teaching and learning environment by:

- Readily identifying students and non-students at school.
- Fostering a sense of belonging.
- Developing mutual respect among students through minimising visible evidence of economic or social differences.
- Eliminating distraction of competition in dress and fashion at school.
- Encouraging children to take pride in their school and their appearance.
